## Curriculum Committee Establishment Method

99.08.09 Passed by the 1st departmental meeting

99.08.31 Revised and adopted at the 2nd academic meeting

The Department of Health Industry Management of our school (hereinafter referred to as the department) is based on the Fourth Curriculum Committee Establishment Regulations of our school.

Article 1 In accordance with the provisions of this Article, the Department's Curriculum Committee (hereinafter referred to as the Committee) establishment regulations (hereinafter referred to as these regulations) are established.

The responsibilities of this association are as follows: :

一、Responsible for developing and planning there quired and elective courses for the department。

二、Formulate the principles of course credit for transfer students and transfer students in the department。

Article 2 三、Develop principles for deferred study of required courses in this department。

四、Review and revise the course syllabus of the department。

五、Formulate other matters related to the department's curriculum。

The committee members are composed of department heads and representatives of full-time teachers. Members serve a one-year term starting from August 1st each year and are re-elected in June each year. They are eligible for re-election。

Article 3 The dean of the department serves as the convener of this association, and full-time teacher representatives are elected from among the full-time teachers of the department. The department's curriculum committee may invite student representatives, industry representatives or other relevant personnel to attend when necessary。

Article 4 The members of this association serve a term of one academic year. They are all unpaid positions and may be renewed for reappointment。

Article 5 The Association meets once per semester and may hold extraordinary meetings when necessary.

Article 6 Resolutions on various proposals of the association shall be sent to the executive meeting for discussion.

Article 7 Matters not stipulated in these regulations shall be handled in accordance with the relevant regulations of the school。

Article 8 After these regulations are passed by the department's executive meeting, they will be submitted to the academic meeting for approval before implementation. The same applies to revisions。
